THE DAFFODIL MARTNuttall, Gloucester, Virginia**Famous for forty years for quality and service**

PLEASE READ CAREFULLY BEFORE ORDERING!

These are our 1960 Retail Prices for True to Name, Double-nosed bulbs.

Due to the increase of Postal and Packing costs we no longer sell 12 bulbs for the price of 10. Single bulbs may be purchased at 1/10th of the price quoted. For larger quantities or Garden Club orders please send us your list of requirements and we shall gladly quote DISCOUNTS at once.

ORDER BULBS NOW FOR FALL DELIVERY

Bulbs are delivered between Sept. 15th and Nov. 1st. Earlier delivery impractical - Later delivery inadvisable. We raise our own bulbs, - (although we will gladly procure for you any not listed by us if contacted before July 1st.) We exhibit in Spring flower Shows and ship a large quantity of blooms to the market. Hence our bulbs MUST be planted by Nov. 1st as SHOULD yours in order to develop a good root growth before cold weather and fine strong blooms in the Spring.

If interested in any varieties not listed please let us know before July 1st., so that we may either dig from our own large stocks or obtain from England, Ireland or Holland at a great savings to you in cost, especially of the Newer Novelties.

Please do not overlook the .50(1.00 West of the Miss) HANDLING charge on all orders also note that we must charge postage on all QUANTITY orders, unless otherwise stated.

Immediately upon arrival please carefully examine your bulbs and, as is customary with all Nursery Stocks, report any dissatisfaction within 10 days of Delivery - later ones cannot be accepted.

During our BLOOMING SEASON (approximately March 15th through April) we welcome any of our customers to visit us at the Farm, about five miles East of Gloucester which is on Route 17, and 25 miles North of Williamsburg. We do not maintain a Show Garden and are extremely busy at that time filling orders for Shows, Novelty Boxes and other flowers, but most people seem to understand and many an unsuspecting soul has been pressed into service! We also plan to maintain SPECIMEN EXHIBITS of BLOOMS throughout the season at the HOTEL POTESOURT in Gloucester and as usual at THE HODGE PODGE Shop. At either place you can see what is in bloom at the time and place your order for bulbs. We shall also exhibit in over 100 shows throughout the country and MALCOLM'S House and Garden Store in Baltimore will have a large Exhibit on April 21st and April 22nd and will be open one of those evenings.

DAFFODILS ON PARADE AND BUSHEL BARGAINS, a small descriptive list, is published in July after digging and sorting our bulbs and includes those varieties dug as well as a list of surplus stocks which we are able to offer at a great discount in bushel lots. Included too are varied Collections for Beginners as well as for Seasoned Growers and Exhibitors, also a most comprehensive list of Naturalizing varieties at reduced rates. This little catalogue will be sent to all of our regular customers as well as to those who have requested our Spring list. If, however, you are in neither category, please write us and we will be happy to send you one.

EXPLANATIONS OF SYMBOLS

Our regular customers are by now accustomed to our Informative Classifications which is a supplement to the regular Royal Horticultural Society's Classification. Any not familiar with either of these, please write and we shall gladly send an explanation.
